**Please write in your own words why it is important for you to make and be part of the "MANDELA BANGLE"**

What I like to be part of Mandela bangle is that Mandela is good man to all South African people and around the world.

Because he was fighting for us that days for Democracy. He stay 27-year in jail for us South African. I feel proud to be part of that bangle because is so special I request all the people around the world to keep order that special bangle for us
